

NOTE: This order is nonprecedential.

**United States Court of Appeals
for the Federal Circuit**

EPLUS, INC.,
Plaintiff-Appellee,

v.

LAWSON SOFTWARE, INC.,
Defendant-Appellant.

2011-1396

Appeal from the United States District Court for the
Eastern District of Virginia in case no. 09-CV-0620,
Senior Judge Robert E. Payne.

EPLUS, INC.,
Plaintiff-Appellant,

v.

LAWSON SOFTWARE, INC.,
Defendant-Appellee.

2011-1456

Appeal from the United States District Court for the
Eastern District of Virginia in case no. 09-CV-0620,
Senior Judge Robert E. Payne.

ON MOTION

O R D E R

The court construes Lawson Software, Inc.'s letter dated June 30, 2011, as a motion to deconsolidate Appeal Nos. 2011-1396 and 2011-1456, and to deactivate Appeal No. 2011-1456. ePlus, Inc. opposes the deactivation of Appeal No. 2011-1456 only. The court construes ePlus's July 7, 2011 letter as a motion to deactivate Appeal No. 2011-1396 if the court deactivates Appeal No. 2011-1456, which Lawson opposes.

Upon consideration thereof,

IT IS ORDERED THAT:

(1) Lawson's motion to deconsolidate Appeal Nos. 2011-1396 and 2011-1456 is granted. The revised separate captions are reflected above.

(2) Lawson's motion to deactivate Appeal No. 2011-1456 is granted. The parties are directed to promptly notify this court when the post-judgment motions are decided and the appeal will be reactivated.

(3) ePlus's motion to deactivate Appeal No. 2011-1396 is denied.
