

Create an Individual PACER Account

As of **March 19, 2018**, attorneys will no longer be able to use shared office PACER accounts to access Federal Circuit court documents online. Attorneys who are members of the Federal Circuit's bar and who already have electronic filing access will need to create and use individual PACER accounts to continue accessing court filings.

Note: Attorneys who have not created individual PACER accounts by 12:00 p.m. (Eastern) on March 14, 2018, will be unable to access CM/ECF as of March 19, 2018.

Account Creation

1. Go to <http://www.pacer.gov>
2. Select **Register** from the main menu bar, then click **Start**.
3. Click **View** Admissions as the registration type.

4. Complete the personal information and account information pages.
For account creation assistance please contact the PACER Service Center at 800-676-6856.
