

United States Court of Appeals for the Federal Circuit

July 7, 2008

ERRATA

Appeal No. 2007-1276

INTERNATIONAL TECHNOLOGY CORPORATION v. Donald C. Winter, SECRETARY OF THE NAVY

Decided: April 18, 2008

Precedential Opinion

On Page 15, lines 17-19, delete the sentence “Two samples reported in Table A-8 of the Feasibility Study were designated as ‘CL,’ i.e., they were composed of a majority of clay.” In place of the deleted text, substitute the following:

The same was true of samples described as “CH.” See Exhibit 155, at 3. Some samples described in Tables A-3 and A-4 of the Feasibility Study were designated “CH.”
