Appeal from the United States District Court for the Eastern District of Texas in No. 6:14-cv-00625-RWS, Judge Robert Schroeder, III.

Decided: February 8, 2019

BRETT MANGRUM, Etheridge Law Group, Southlake, TX, argued for plaintiff-appellant. Also represented by RYAN LOVELESS, JIM ETHERIDGE.

Before MOORE, WALLACH, and HUGHES, *Circuit Judges*.

PER CURIAM.

Plaintiffs-Appellants sued Defendants for infringement of U.S. Patent Nos. 5,628,526 and 5,715,451. Defendants moved to dismiss on ineligibility grounds, and the district court partially granted this motion. Plaintiffs-Appellants and Defendants subsequently settled their dispute and jointly stipulated to dismissal of the case. Plaintiffs-Appellants did not reserve the right to appeal. Accordingly, we dismiss this appeal for mootness pursuant to *Aqua Marine Supply v. AIM Machining, Inc.*, 247 F.3d 1216, 1218–20 (Fed. Cir. 2001).

DISMISSED
