ON MOTION

ORDER

The court considers whether this appeal should be transferred to the United States Court of Appeals for the District of Columbia Circuit.

Dennis J. Solomon appeals from a decision of the United States District Court for the District of Columbia dismissing Solomon's complaint regarding a previous trademark application. This court is a court of limited jurisdiction. 28 U.S.C. § 1295. Based only upon our review of the papers transmitted by the district court, it does not appear that this court has jurisdiction over this appeal.

Accordingly,

IT IS ORDERED THAT:

Absent a response received by this court within 21 days of the date of filing of this order, this appeal will be transferred to the United States Court of Appeals for the District of Columbia Circuit pursuant to 28 U.S.C. § 1631.
