Appeal from the United States District Court for the Eastern District of Virginia
in case no. 09-CV-0447, Senior Judge Robert E. Payne.

ON MOTION

Before BRYSON, Circuit Judge.

ORDER

WiAV Solutions LLC moves to expedite the briefing schedule and disposition of this appeal. Motorola, Inc. et al. oppose. WiAV replies.

WiAV may of course self-expedite the appeal by filing its own briefs early. Although WiAV has not shown that the time for the appellees to file their briefs should be shortened, the appellees should not anticipate extensions of time to file their briefs. This case will be set for oral argument promptly after briefing is completed. Under these circumstances, WiAV has not made a sufficient showing to justify any additional measures to expedite the proceedings.

Accordingly,

IT IS ORDERED THAT:

- (1) The motion is denied.
- (2) The revised official caption is reflected above.
