Appeals from the United States District Court for the Southern District of New York in case no. 06-CV-5377, Judge Colleen McMahon.

**ON MOTION**

---

**O R D E R**

The court treats the parties' letters concerning whether to deactivate these appeals as a motion to deactivate and responses to that motion.

It appears from the district court's docket sheet in any event that the matter is now concluded in the district court. Thus, no deactivation is required at this time.

Accordingly,

IT IS ORDERED THAT:  
The motion is denied.
