**United States Court of Appeals
for the Federal Circuit**

ESSEX ELECTRO ENGINEERS, INC.,
Plaintiff-Appellant,

v.

UNITED STATES,
Defendant-Appellee,

AND

AVIATION GROUND EQUIPMENT CORP.,
Defendant-Appellee.

2011-5016

Appeal from the United States Court of Federal
Claims in case no. 10-CV-379, Senior Judge Eric G.
Bruggink.

ON MOTION

ORDER

Essex Electro Engineers, Inc. moves for leave for the
United States Court of Federal Claims to "correct the
docket" of that court to include certain exhibits Essex
argues were inadvertently omitted. The United States

does not oppose Essex's effort to seek this court's leave, but argues it is for the Court of Federal Claims to determine whether any documents were inadvertently omitted from its docket.

Accordingly,

IT IS ORDERED THAT:

The United States Court of Federal Claims is granted leave to consider, within its discretion, Essex Electro Engineers, Inc.'s motion to correct the docket.
