Appeal from the United States District Court for the District of New Jersey in consolidated case no. 07-CV-2762, Judge Joel A. Pisano.

ON MOTION

ORDER

Sanofi-Aventis U.S. LLC, et al. move for a 14-day extension of time, until February 3, 2012, to file their response brief. The appellants oppose and move for "panel assignment and to set oral argument."

Pursuant to Fed. Cir. IOP #3, paragraph 1, "the clerk's office attempts to assign the appeal to the previous panel, to a panel including at least two members of the previous panel (if one of those members was the authoring judge), or to a panel that contains the authoring judge, if such a panel is otherwise constituted and available on a subsequent argument calendar." The motion for "panel assignment" is denied. The motion to "set oral argument" is also denied because, inter alia, the appellants did not significantly expedite the filing of their opening brief.

Upon consideration thereof,

IT IS ORDERED THAT:

(1) The motion for an extension of time is granted. Further extensions should not be anticipated.

(2) The other pending motions are denied.
