Appeal from the United States District Court for the
District of Colorado in case no. 11-CV-1073, Magistrate
Judge Boyd N. Boland.

ON MOTION

ORDER

Leonardo Ramos-Hernandez responds to this court's January 26, 2012 order directing him to show cause why this appeal should not be dismissed for lack of jurisdiction. Ramos-Hernandez also moves to waive the payment of the court's docket fee.

On January 25, 2012, the United States District Court for the District of Colorado dismissed Ramos-Hernandez's complaint and issued judgment. This court will consider Ramos-Hernandez's response to this court's order as a timely notice of appeal from that judgment.

Because the district court granted Ramos-Hernandez's motion for leave to proceed in forma pauperis, he does not need to pay this court's docketing fee.

Accordingly,

IT IS ORDERED THAT:

The motion for waiver of this court's docketing fee is granted. Ramos-Hernandez's brief is due within 21 days from the date of filing of this order.
