

United States Court of Appeals for the Federal Circuit

PER CURIAM.

ORDER

As of February 9, 2018, the United States government is in shutdown status due to a lapse in appropriations. Through non-appropriated funds, the federal judiciary can remain open and continue normal operations for a limited period.

Accordingly, it is ORDERED that

1. All cases scheduled for oral argument on February 9 and 12, 2018, including those involving government counsel, will proceed as scheduled.
2. Until further notice, the court will remain open for business and will be fully staffed to provide all normal judicial business functions.
3. Absent motion for an extension of time in a particular case, all court filing deadlines remain in effect. The court's electronic filing system (CM/ECF) will remain in operation for the electronic filing of all documents.
