Before O'MALLEY, TARANTO, and STOLL, *Circuit Judges*.

O'MALLEY, *Circuit Judge*.

This appeal was originally scheduled for oral argument on September 5, 2018. On August 17, 2018, however, we stayed this case pending an en banc decision in *Procopio v. Wilkie*, No. 18-1721. Once this court issued its decision in that case, see *Procopio v. Wilkie*, 913 F.3d 1371 (Fed. Cir. 2019), we ordered the parties to file supplemental briefs explaining how the decision in *Procopio* impacts this case. See Dkt. No. 38.

In his supplemental brief, Appellant Joseph Taina asked us to reverse the underlying Court of Appeals for Veterans Claims ("Veterans Court") decision and remand his case to be readjudicated consistent with *Procopio*. Dkt. No. 39. The government has also indicated that, in light of *Procopio*, we should remand this case to the Veterans Court. Dkt. No. 41; see also Dkt. Nos. 44, 45. The parties' requests for remand are now before us.

The decision of the Veterans Court is vacated and this appeal is remanded to the Veterans Court with instructions that Mr. Taina's claim for benefits be reconsidered in light of *Procopio*. The mandate shall issue forthwith.
