Re: In re Complaint No. 23-90015 (Complaint Against Circuit Judge Pauline Newman)

Dear Chief Judge Moore:

I am in receipt of the special committee's orders of May 16, 2023. One of the orders once again requested that Judge Newman agree to medical evaluations and provide medical records for the committee's review. The order set a deadline of May 23, 2023 at 9:00am to respond to the request. This letter is to request an extension of time until June 8, 2023.

The reasons for the request are as follows. On May 16th, 2023, I travelled out of the country to Israel to attend a traditional Jewish baby-naming ceremony for my newborn niece. (Indeed, I received the special committee's orders while already at the airport). I am not scheduled to return to Washington, D.C. until June 1, 2023. While in Israel, I am scheduled to attend a variety of family functions, in addition to attempting to spend the time with my new niece. Accordingly, my ability to dedicate significant amount of time to this or other legal matters will be quite limited. Furthermore, given the time difference between Israel and Washington, D.C., my ability to effectively communicate with my client is also impeded. Finally, I have an immovable deadline of May 31, 2023 to submit grades for over 100 students who were enrolled in my Spring 2023 courses at the University of Baltimore.

Since the initial order provided Judge Newman one week to respond to the requests, I am similarly asking for one week from the time of my return to provide an appropriate response. In light of the above, I respectfully request the aforementioned extension of time.

Sincerely,

/s/ *Gregory Dolin, M.D.*
