

United States Court of Appeals for the Federal Circuit

~~UNDER SEAL (NON-PUBLIC ORDER)~~

IN RE COMPLAINT NO. 23-90015

Before the Judicial Council of the Federal Circuit.

PER CURIAM.

ORDER

Judge Newman has filed a Motion for Reconsideration of the Judicial Council's September 6, 2024 Order, along with a report dated September 17, 2024 by Dr. Aaron G. Filler. Judge Newman alleges this new report constitutes changed circumstances such that the September 6 Order should be reconsidered and rescinded. Accordingly,

IT IS ORDERED THAT:

- (1) The Special Committee will consider the Motion and its accompanying report to determine whether they constitute changed circumstances such that the September 6, 2024 Order should be modified or rescinded;
- (2) The September 6, 2024 Order remains in effect until further action by the Judicial Council; and
- (3) The Judicial Council consents to any necessary extension of the deadline for a petition for review from the September 6, 2024 Order to permit consideration of the newly submitted evidence.

SO ORDERED: October 1, 2024.
